Shuman's **SHORTHORN** Sale

PRODUCING "POUNDS OF BEEF" WITH SHORTHORNS

That has been our goal since we started in the cattle business several years ago here at the ranch at Deertrail. We laid our foundation with what we thought were the right kind of females and followed up by using the best bulls we could find.

We made our first formal showing of our cattle here at the ranch on June 13th when over 500 folks were our guests at the Western Shorthorn Breeders' Association Field Day. In the steer show that was held that day we had the pleasure of seeing Alfred Pope win the reserve championship on a calf we had bred.

We believe we made steps in the right direction in 1951 when we bought the Omaha grand champion bull, Leader's Diamond, and again in 1952 when we bought his half brother and reserve grand champion bull, Leader's Guard 2nd.

A purchase early this year that will no doubt mean more to our herd than any we have ever made was when we bought Edellyn Squadron Leader from Edellyn Farms at Wilson, Illinois. It was only a few months after we purchased him that five of his daughters averaged \$3,050 in their all-time record sale that averaged \$3,715. We are proud of this our first offering that includes no less than 15 top heifers bred to Edellyn Squadron Leader. There will be an equal number of females mated to our Omaha champions, Leader's Diamond and Leader's Guard 2nd. The entire 1953 heifer crop sells and our bulls include our champion pen of five at this year's National Western Stock Show.

For the interest of 4-H and FFA members, we offer 20 top Shorthorn steer calves — real prospects.

We feel that we are offering both bulls and females in this sale that can work herd improvement for their new owners and it will please us to see a large crowd of our Shorthorn friends at the ranch on October 5th.

We Challenge Other Breeds To Match Superior Shorthorn Performance at the World's Greatest Livestock Shows

1952 GRAND CHAMPION

Four Out of Past Five grand champion carloads of feeders were **SHORTHORNS** at National Western Stock Show in Denver, world's greatest feeder cattle competition!

1952 GRAND CHAMPIONS

Requiring $1\frac{1}{4}$ pounds less corn per pound of gain than all other cattle of another breed in short-fed classes, **SHORTHORNS** were grand champions of 1952 International. They dressed 63.2 per cent with four carcasses grading prime and 11 choice—proving **SHORTHORNS** are tops in both feedlot and packing house!

Half of All Grand Champion Steers at all postwar International Live Stock Shows, world's greatest steer competition—that's the record of **SHORTHORNS!**

1953 GRAND CHAMPIONS

Seven Out of All Eight Chicago Feeder Shows, world's largest feeder competition, saw **SHORTHORNS** as champion yearling steers over all breeds.

Standard Guarantee

American Shorthorn Breeders' Ass'n.

1. Proper care must be given by purchaser to protect qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later submitted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

DEER TRAIL, COLORADO

Shuman's SHORTHORN Sale

Amateur snapshot of one of the 1953 Shuman calves. Note the good head, substance and good doing qualities. You will like all the cattle you will find in this sale.

STEADILY UP THE LADDER

You have to inspect John Shuman's Deer Trail, Colorado ranch to appreciate the practical registered and commercial cattle operation. A valley wide and long down through the middle of the ranch covered with abundant grass and running streams for food and water and ideal timber for protection, make it a healthy and ideal place to produce good Shorthorns. On either side of this valley is his level wheat lands that further supplement fall, winter and early spring pastures.

It is a pretty hard combination to beat when you tie the right kind of Shorthorn cattle to it. The Shuman herd has made steady progress through the use of the 1951 Omaha grand champion, Leader's Diamond and the 1952 Omaha reserve champion, Leader's Guard 2nd. Early this year John Shuman purchased the five-year-old outstanding sire, Edellyn Squadron Leader from Edellyn Farms, Wilson, Illinois. This son of Saltoun Squadron Leader was the Nelson trophy winner for the best calf at the 1948 Kansas City American Royal. He was first prize senior yearling at the 1949 Illinois, Wisconsin and Iowa state fairs. Second at the American Royal, Chicago International, Denver and Fort Worth shows. His dam is Edellyn Dorothy 21st, the greatest female ever bred at Edellyn Farms. She was a daughter of Edellyn Royal Leader and was undefeated, as a calf and as reserve grand champion female at Kansas City and Chicago.

It has been a pleasure to work with John Shuman in the preparation of this sale and to recommend his cattle to those people seeking good doing, well bred Shorthorns with the ability to produce pounds of beef. Better make a date now to be at the Shuman Ranch on October 5th.
